PUBLIC NOTICE

ר"ח מנחם אב תש"פ

Baruch Hashem the coronavirus epidemic in the UK seems to be gradually receding, although it is by no means over altogether.

We are thankful to Hashem for the gradual reopening of shuls, yeshivos and schools, and we continue to daven for the welfare of the kehillah and the nation.

Nonetheless, it has come to our attention that people have been arriving in the UK from abroad, from countries that are still experiencing a widespread epidemic, who are not observing the 14-day quarantine that the government has imposed. As a result they are putting other people's lives at risk, and there have been reported cases of these people infecting others.

We wish to make it clear that it is completely forbidden for anyone from one of these countries to ignore the quarantine rules. Ba'alei simchah are responsible to ensure that no-one in such a situation will attend their simchos. Furthermore, it is forbidden for anyone else to attend a simchah or minyan if they are aware that someone who has ignored the quarantine rules is present.

ויותר יש לאדם לזהר עצמו שלא יזיק אחרים משלא יוזק (תוספות מסכת בבא קמא דף כג עמוד א)

ויהי רצון שהחודש הזה יהפך לששון ולשמחה ולמועדים טובים
